ORDER

On August 18, 2009, the Court entered an order (i) requiring the preservation of evidence relevant to this action and (ii) enjoining defendants from, inter alia, transferring certain confidential information to third parties. The portion of the order granting injunctive relief was inadvertently entered before defendants had an opportunity to be heard. Accordingly, that portion of the order [17] is vacated; the Court will address plaintiffs' motion for a preliminary injunction [7] after the motion has been fully briefed.

SO ORDERED.
